

SWE ALLIANCE CALENDAR 2019 (Jan-Dec)

Goal: Mobilize the sector to support the scaling of SWEs to reach millions more beyond treated piped water.

Vision:

The Small Water Enterprise (SWE) Alliance's vision is to provide universal access to affordable safe drinking water for all. Our mission is to promote equitable development by advancing the SWE sector in order to provide sustainable safe water to those beyond the treated pipe water or in need of a safe drinking-water source by working collaboratively with SWE practitioners and sector stakeholders- entrepreneurs, technology providers, service providers, government, academia, funders, and knowledge providers.

SWE Alliance Engagement and Advocacy Plan is focused on two main targets:

Influence Policy Reform	Objective: Advocate for Policy Reform to create an enabling environment for SWEs conducive for expansion	
Priority Topics	<ul style="list-style-type: none"> ✓ Development of SWE Ecosystem ✓ Regulatory Framework – FSSAI / GST/ Ground water abstraction ✓ Public Private Partnerships that promote fair risk tenders 	<ul style="list-style-type: none"> ✓ SWE protocol with performance standards ✓ Judicious deployment of Government funds
Unlock Financing	Objective: Attract diversified sources of funding to close the SWE funding gap.	
Funding Groups	<ul style="list-style-type: none"> ✓ Elevate CSR funding in water / SWE space from current <1% ✓ Institutional funding (e.g., DAs, Foundations, Corp. CSR) 	<ul style="list-style-type: none"> ✓ Government funding on SWE set up and fair pricing for sustainable operations
