

## Call for proposal: Advisory and Project Management Support for Jal Jeevan Mission, Urban

**About the Project:** Project Management support for Jal Jeevan Mission, Urban under the Project SEWAH

This is a call for proposal from knowledge partners and agencies to develop the overall strategy and provide project management support for the Jal Jeevan Mission Urban roll-out. Under the program:

1. Develop the IT framework for the monitoring and evaluation of the Mission
2. Training and Capacity building of the states and ULBs for the successful implementation of the Mission.
3. Prepare an ICT Blueprint for Water Management which will include the developing the best practices on Sensors, SCADA, Water MIS etc.
4. End to End stakeholder management support to SWNI across Central Government (MOHUA, Niti Aayog, Jal Shakti Mission, etc.) agencies to bring around alignment on various initiatives that support the implementation of Jal Jeevan Mission Urban.
5. Support on the IEC strategy for the Mission roll-out and Support in training of the participating states and ULBs through Capacity building workshops.

**Intellectual Property:** All output, training materials, questionnaires, feedback forms, results, data, and reports generated under the award are solely the property of Safe Water Network India.

**Confidentiality:** Any information, resources, and assistance (including access to records, systems) shared with you during the program for this engagement cannot be disclosed or used in electronic, print, or audio medium.

Please send in your application to this mail id – [psewak@safewaternetwork.org](mailto:psewak@safewaternetwork.org) / [psingh@safewaternetwork.org](mailto:psingh@safewaternetwork.org) / [info@swnindia.org](mailto:info@swnindia.org) Dec 30, 2020

**About Safe Water Network:** Safe Water Network India is a not-for-profit Trust, registered on October 16, 2009, committed to bringing scalable, financially sustainable solutions that provide clean, affordable drinking water to the communities in quality-affected habitations in India. Safe Water Network India holds a licensing agreement with Safe Water Network, a 501 (c) (3) registered non-profit organization in New York, USA, and a core funder of the Trust.

**About Project SEWAH:** Project SEWAH is a collaboration between Safe Water Network India and USAID to strengthen the journey towards self-reliance in Urban Drinking Water through the multiplier effect of the knowledge hub and by leveraging the SWE Alliance. The project aims to create a legacy of a sustainable and reliable, safe drinking water footprint in the urban cities to accelerate the SDG Goal 6.1 by developing capacities of the citizens, PHED engineers, SWE implementers, and other stakeholders in the ecosystem so that SWEs are sustainably delivering safe drinking water reliably to the local communities.
